### Copyright transfer

The Authors hereby assign to the MIDEM SOCIETY - Society for Microelectronics, Electronic Components and Materials all rights under copyright that may exist in and to the above Work including the right to publish, republish, transmit, sell, distribute and otherwise use the Contribution in whole or in part in electronic and print editions of the Journal and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so. The Authors hereby warrants that the Work is original and that he/she is the author of the Work; to the extent the Work incorporates text passages, figures, data or other material from the works of others, the undersigned has obtained any necessary permission.

### Authors rights

Notwithstanding the above, the Authors or, if applicable, the Authors’ Employer, retains all proprietary rights other than copyright, such as patent rights, in any process, procedure or article of manufacture described in the Work.

Authors/employers may reproduce or authorize others to reproduce the Work, material extracted verbatim from the Work, or derivative works for the author’s personal use or for company use, provided that the source and the Informacije MIDEM - Journal of Microelectronics, Electronic Components and Materials (ISSN 0352-9045) copyright notice are indicated, the copies are not used in any way that implies MIDEM SOCIETY endorsement of a product or service of any employer, and the copies themselves are not offered for sale.

Authors/employers may make limited distribution of all or portions of the Work prior to publication if they inform the MIDEM SOCIETY in advance of the nature and extent of such limited distribution.

Authors/employers have the right to re-use the final Work or parts thereof for any publication authored or edited by the Author (excluding journal articles) where such re-used material constitutes less than half of the total material in such publication. In such case, any modifications should be accurately noted.

Authors/employers have the right to include the Work in teaching or training duties at the Authors’ institution/place of employment including in course packs, e-reserves, presentation at professional conferences, in-house training, or distance learning. The Work may not be used in seminars outside of normal teaching obligations (e.g. commercial seminars).

Although authors are permitted to re-use all or portions of the Work in other works, this does not include granting third-party requests for reprinting, republishing, or other types of re-use.
